

Cresta del Gallo

Starting point: Algezares [Murcia – Murcia]

Distance: 13,5 km.

Difficulties: Partially narrow mountain road. Difference in height 400m.

Why worth it?: Beautiful and quiet mountain road, great view of the city of Murcia. Also (sporty) biking route (keep the height difference in mind).

ROUTE DESCRIPTION:

From *Algezares*, follow signs towards *Santuario de la Fuensanta*. Drive on here up the mountain (*Calle Cresta del Gallo*). There are several possibilities to reach the panorama point at the foot of *Cresta del Gallo* (follow road signs and use a road map). The route back follows the northeastern descent to *Los Garres*. The via the *MU-302* back to *Algezares*.
