

## Liechtenstein Klamm

**Sankt Johann – Liechtenstein Klamm parking lot – Liechtenstein Klamm – Schleierwasserfall – Same way back.**

**Starting point:** Parking lot at about a 5 minute walk from the cash register / souvenir shop at the Liechtensteinklamm. [Sankt Johann - Pongau].

**Total time:** ¾ hour.

**Specialities:** Relatively short walk through a spectacular schlucht over a very well constructed and well maintained bridges and such. Under extreme weather conditions the schlucht can be closed. Good footwear is recommendable! Only 'disadvantage': you have to go the same way back from the waterfall; on the way back it can be difficult with passing people at some of the smaller passages. One dark little tunnel (no lights).

**Difficulty level:** \*

**Why worth it?:** Very beautiful and spectacular schlucht in which it becomes extremely clear that water is definitely harder than rock.

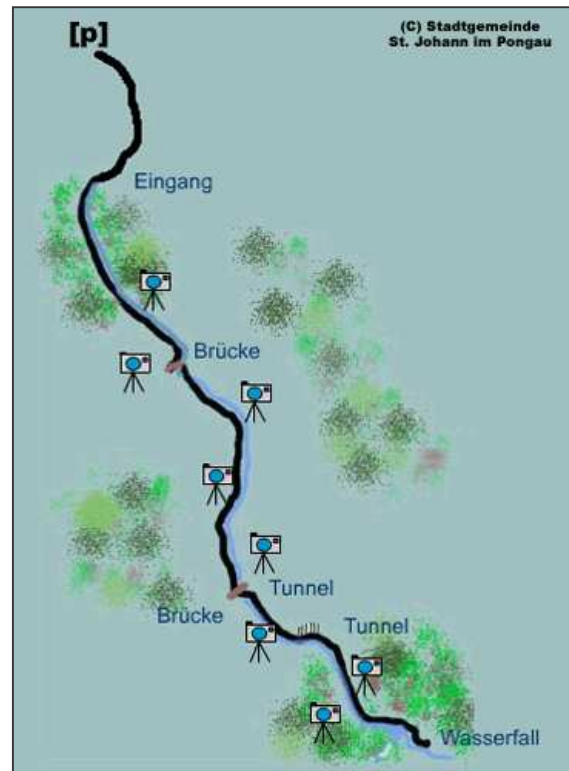

### **ROUTE DESCRIPTION:**

From the parking lot we walk into the valley over a broad but earth road. After about 5 minutes we reach a restaurant and behind it a souvenir shop that also contains the cash register. Past the cash register we almost immediately walk into the schlucht. Over bridges, wooden scaffolds, stairs and tunnels we reach the *Schleierwasserfall* after about 25-30 minutes. This is also our turning point.

Same way back.

*Walked route in 2004*

### **Legend difficulty levels:**

\* = Moderately easy tour (also perfect for a late afternoon walk). 2 hours max.

\*\* = With some physical condition, no difficulties. From 1 to 3 hours max.

\*\*\* = Average tour, a moderately, good physical condition is needed! 2 till 4 hours max.

\*\*\*\* = Difficult tour. Sometimes you have to use your hands to climb (not all the way, just some parts). Between 3 and 6 hours.

\*\*\*\*\* = Very difficult tour. Here you're at the boundary of 'real' mountaineering. The 'climbing factor' takes the overhand. Mostly between 5 and 7 hours.

**ps: some tours can be different than these ratings (like: a \*\*\*\* tour, with a duration of only 2 hours).**
