#### **ROUTE DESCRIPTION:**

In Lienz, near Schloss Brück we go up 1 section with the chair lift towards Moosalm (1007m.). Here a visit can be made to a small ‘streichelzoo’. Left past the streichelzoo, we follow the signs to Ghf. Venedigerwarte. About 20m-25m before Ghf. Venedigerwarte, we go down left via a forest path. We end up on a supply road named ‘Russenweg’. We follow this down the mountain.

We cross underneath the chair lift; a small ‘feriensiedlung’ follows. We sort of cross this. In the forest a T-section follows; here we go down left (signs ‘Lienz’). Past Ghf. Griebelehof we reach, walking across the asphalt road, Schloss Brück. Keep right here, back to the valley station of the chair lift.
